

## PMRJ Reference Standards Ordering Information for Foreign Users

Pharmaceutical and Medical Device Regulatory Science Society of Japan (PMRJ) has been registered by the Minister of Health, Labour and Welfare as an organization that produces and distributes Japanese Pharmacopoeia (JP) Reference Standards and other compendial reference standards of Japan. Those reference standards serve as national standards in the qualitative and quantitative evaluation of the quality of pharmaceuticals and other products, and thereby play a critical role by providing the basis for guaranteeing the reliability and objectivity of test results. PMRJ engages in its reference standard work with full awareness of its great responsibility to produce and distribute such reference standards with assurance of their quality.
