

Information on new shipping conditions and shipping charge

Overseas shipping conditions of the reference standards have been classified into new 6 categories from April 1, 2022. You can check the shipping conditions of each reference standard on our website or current catalog.

Shipping Category	Shipping Condition		Dispatch by
	Temperature Control	UN Number*	
A	Ambient	No	Courier (DHL, FedEx)
R	Refrigerated	No	Air Cargo by Freight Forwarder
F**	Frozen (with Dry-Ice)	No	
AU	Ambient	Yes	
RU	Refrigerated	Yes	
FU**	Frozen (with Dry-Ice)	Yes	

*Reference Standards that have UN numbers as dangerous goods have specific requirements for shipping.

**Category F and FU items must be shipped separately from other category items.

We charge customer the shipping charge per shipment as shown in the below table. Upon receipt of your inquiry through our website <https://www.pmrj-ec.jp/aec/user/special_order?lang=en>, we will send you our proforma invoice.

Dispatch by	Shipping Category	Shipping Charge
Courier (CPT consignee address#)	A	JPY 20,000
Air Cargo by Freight Forwarder (CPT arrival airport#)	R, F, AU, RU, FU	Actual cost
Ex-works#	A, R, F, AU, RU, FU	No charge
