Quality Hour – March Edition (Live Webcast)

USP is pleased to kick off a series of webinars to keep you up to date on USP-NF, Reference Standards as well as USP initiatives and activities in Asia Pacific. This month we will also discuss about “New USP Peptide Standards and Related Impurities Characterization”

For this month’s session you will be able to:

- Learn an overview of compendial use of peptide standards
- Understanding challenges in performance of various methodologies like bio-identity and other analytical approaches
- Learn more about USP’s new therapeutic peptide reference standards such as Bivalirudin, Eptifibatid, and Triptorelin and related impurities characterization
- Receive updates on the USP-NF, Reference Standards and other USP resources
- Identify USP staff and activities in Asia Pacific

Mar. 30 | 10.00 a.m. (GMT+7)
11.00 a.m. (GMT+8)
12.00 p.m. (GMT+9)
